ville, Tenn.

the Daily and Weekly Democrat in

**An Accident—Press Broken.**  
Owing to an accident in our press-room  
yesterday morning the Democrat missed  
the early mail. The machinery was sup-  
plied with a duplicate of the press broken,  
and as soon as possible the press was put  
in motion again. About half past 6  
o'clock the repairs were completed, and  
our large edition to the city served as  
early as we could under the circum-  
stances.

We are greatly injured by such acci-  
dents and trust they may not occur soon  
again, for while it is not only annoying  
and expensive to us, it is provoking to  
our readers to miss their morning paper  
on such occasions.

**Old Papers for Sale by the Hun-  
dred.**

We have several thousand old papers  
for sale—put up in packages of one hun-  
dred each.

These can be supplied at the  
deck's dock.

**WOODLAWN RACES!**

### Fourth Day.

The race course is the fast well  
marked track, Green street, Wood-  
lawn, between 4th and 5th, which should start for  
the race which the horses, drivers, jockeys and  
etc., are to run in. The horses are to be  
run in pairs, the drivers and jockeys to be  
selected by the drivers and jockeys.

The Council will meet again next  
Tuesday.

**RATHER PECULIAR—BILLIARDS.**—It will  
be seen that some individuals away off in  
New York have very gravely and sol-  
emnly determined that the Kentucky  
Congress of Billiard Players shall not  
meet in this city till October. They must  
be arrant federalists. What in the world  
have a number of cue-sportsmen done  
to do with a meeting of the best billiard  
players of this State in a friendly trial of skill. They are not in-  
vited to participate in it—in fact they are  
excluded from it. But when Mr. Fletcher  
goes to the expense of offering  
splendid prizes, and makes every ar-  
rangement for a splendid trial, some per-  
sons in Japan or New York, who have no  
part in it, gravely inform the public that  
they have appointed a different day and  
place. Here's richness.

The billiard players will pay little at-  
tention to it. We have reason for saying that  
the Congress suggested by Mr. Fletcher  
will be largely attended by the  
very best amateurs and players in the  
State; that numbers of distinguished  
players all over the country will be in at-  
tendance. There is no charge for parti-  
cipating, but the families of players will be  
furnished free with tickets to witness it.  
The first prize is the handsomest, cue ever  
made, to be retained by the best player  
for two years. The second prize is a  
splendid brass and string band  
to be in attendance. Not forget, next  
Monday, to go to the Woodland Garden.

**AMUSEMENTS.**

Mr. Duperre & Green's Minstrels are meeting with a well merited success. Masonic Temple is filled  
nighly with a highly appropriate audience.  
The performances of the vocal performances  
are also very good, and the negro baritones most  
humorous and mirth-provoking. All the per-  
formers, without exception, are stars in their particular  
line, and all old favorites with the Louisville  
people. The audience is large, and the  
theatre is well filled.

**UNITED STATES COURT.**—The United  
States Court has adjourned to meet again  
on the 20th inst., when the question of the  
violation of the revenue law will be de-  
cided.

**NATIONAL GIFT SALE.**—We direct  
the attention of our readers to the advertisement  
of Messrs. Purcell & Co., in this  
morning's paper.

**WE PUBLISH UPON OUR FIRST PAGE,** this  
morning, a letter from Nashville that is  
very interesting.

**TRANSFER OF REAL ESTATE.**—The fol-  
lowing transfers of real estate were made  
in this city and county from the 2d to the  
7th instant:

**THE TRAINS.**—The celebrated English Opera  
Tour continue to draw large audiences and all who  
are delighted with their performances. The  
opera of "Fra Diavolo" was repeated last night  
with more effect on the night previous, and each  
one more applied to perform his or her part with  
more effect. To-night we are to have "Marfaria."

**THE RACE TO-DAY.**—The race was run in 25, and  
the half in 5½.

The second heat was easily won by  
Ford, notwithstanding the efforts of Clay  
to take the lead at several different times.  
The mile was run in 1:43½, the quarter  
in 26½ and the half in 5½.

It was now evident that Ford would be  
the winner of the race, and \$100 to \$20  
was readily laid on the result, without  
takers. Those who bet on the second  
horse were, however, greatly disappointed  
at Harper coming out second in the  
race, as it was generally expected that  
Clay would hold that position. This heat  
was the quickest in the race, having been  
made in 147½. We annex the  
HUMOROUS.

**THEATRE.**—Theatricals are meeting with a  
well merited success. Masonic Temple is filled  
nighly with a highly appropriate audience.  
The performances of the vocal performances  
are also very good, and the negro baritones most  
humorous and mirth-provoking. All the per-

people. The audience is large, and the  
theatre is well filled.

**PUBLIC SPEAKING.**

Major General L. H. Rosecrans will ad-  
dress the people of Kentucky on the polit-  
ical issues of the day as follows, to-wit:

**FRANKLIN SIMPSON COUNTY, Tuesday,**  
3d June, at 1 o'clock P.M.

**LEXINGTON, Wednesday, 14th June,**  
10 o'clock A.M.

**LOUISVILLE, Friday, 16th June, at 1 o'clock P.M.**

**THE YOUNG WIDOW.**  
She is modest, she is frugal,  
Free and easy, but she is bold,  
Like an apple, ripe and bold;  
Not a girl in the land so bold;  
Half inviting, half coy, the best  
Now advancing, now the rest,  
The girl in the land, in her drool,  
There is danger in her eye.  
She has studied human nature,  
She has learned to be wise;  
She has taken her diploma,  
As the mistress of all hours.  
She can tell the world, "I am  
A young widow, and how laugher  
Silver sounding, ring out—  
Oh! a maid is sometimes charming,  
But a widow is more winning,  
And a widow is more winning."  
She has studied human nature,  
She has learned to be wise;  
She has taken her diploma,  
As the mistress of all hours.  
She can tell the world, "I am  
A young widow, and how laugher  
Silver sounding, ring out—  
Oh! a maid is sometimes charming,  
But a widow is more winning,  
And a widow is more winning."

An Important and Remarkable Decision of the Methodist Episcopal Church.

In the spring of 1863, at the session of the Troy Conference at Fort Edward, New York, a clergyman was arraigned before the church's jurisdiction, for refusing to receive a regularly ordained and certified certificate of church membership of the Methodist Episcopal Church. The case was tried, and the Conference and the Bishop sustained the rejection of said certificate. The party, supposing he had a right to attend the means of grace in the Methodist Episcopal Church, and so did, and regular standing, and paid for a seat in said church, and did so occasionally attend at Fort Edward, where he resided. Strong objections were urged against such attendance, and found no means to sustain it, and therefore three cases of assessment and battery were laid and suit, which were settled last January, submitting the following questions to the Troy Annual Conference, which held its session at Pittsburg, New York, during the past month.

The following is the question and answer of the preceding Bishop:

Question.—Is a member of the Methodist Episcopal Church, in good and regular standing, a right to visit and attend the services of any other society than that of which he is a member, and to which he is responsible for his conduct, and generally Christian courtesy would dictate that he should be allowed to participate in such meetings in other societies; but if, in the judgment of those who are responsible to the church for the proper management of these meetings, the attendance of a person of another society is an injury to the cause of the gospel, or to the church, it is prohibited from taking part in the services of such meeting, and not being responsible to the society whose meetings he proposes to attend, he has no ecclesiastical right to participate in said services.

Answer.—A member of the Methodist Episcopal Church, in good standing, has a right to attend the regular meetings of the class of which he is a member, and to which he is responsible for his conduct, and generally Christian courtesy would dictate that he should be allowed to participate in such meetings in other societies; but if, in the judgment of those who are responsible to the church for the proper management of these meetings, the attendance of a person of another society is an injury to the cause of the gospel, or to the church, it is prohibited from taking part in the services of such meeting, and not being responsible to the society whose meetings he proposes to attend, he has no ecclesiastical right to participate in said services.
